THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Rye in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Rye on Tuesday, the ninth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will authorize the Selectmen to hire money from the Trustees of Trust Funds of said Town.

4. To see if the Town will authorize the Selectmen to sell to the United States of America for a consideration of twenty-five (\$25.00) dollars, a certain parcel of land situated in Rye, County of Rockingham, and State of New Hampshire, more fully bounded and described as follows.

Beginning at a point on the northeasterly boundary line of State Highway, U. S. Route 1-A, said highway leading easterly from Portsmouth to Rye, said beginning point being at the end of a stone wall and mark-

ing the northwesterly corner of land of William Parker Straw and the southwesterly corner of said tract; thence by said north-easterly boundary of said State Highway N $44^{\circ}00'W$ 140 feet to a stake, said stake marking the southwesterly corner of land of State of New Hampshire used as a gravel pit; thence by said State land N $66^{\circ}30'E$ 175 feet to a point at the beginning of a stone wall, said point marking the southeasterly corner of said State land and southwesterly corner of land of Ralph E. Odiorne; thence by said Odiorne land $66^{\circ}30'E$ 590 feet, passing over the end of a stone wall to a point on the shore line of the Atlantic Ocean; thence by said shore line S $65^{\circ}00'E$ 44 feet; thence by said Straw land passing over the beginning of a stone wall S $42^{\circ}00'W$ 540 feet to the end of the wall and S $42^{\circ}00'W$ 230 feet to the point of beginning, containing, 0.92 acre, more or less, and to sign, seal and deliver a Warranty Deed in behalf of the Town of Rye.

Business meeting at 1.30 o'clock.

Given under our hands and seal, this twentieth day of February, in the year of our Lord nineteen hundred and forty-three.

NEWELL P. MARDEN,
WILLARD H. DRAKE,
EDWARD S. SAWYER,
Selectmen of Rye.

Report of Library Trustees

To the Citizens of Rye:

During the past year the Rye Library has continued its service to the town with an increased supply of books of interest to all ages.

Gifts include books as listed in the librarian's report and also ten dollars from the Every Other Tuesday Club for the purchase of reference books.

In August, Mr. Norman Jenness tendered his resignation as caretaker. Mr. Horace Berry was chosen as his successor and has kept the building and grounds in excellent condition. No repairs to the building have been necessary and no improvements undertaken.

To meet war time conditions, the Library is now open on Wednesdays and Saturdays from 1.00 to 7.00 P. M. instead of from 2.00 to 8.00 P. M.

HELEN F. PHILBRICK,
JOHN E. ANTHERS,
WILLIAM H. LOCKE,

Trustees, Rye Library.

February 6, 1943.

Report of Librarian

To the Trustees of the Rye Public Library:

The following is a report of the library for the year.

No. of volumes circulated	12,175
No. of borrower's cards issued	117
Largest circulation	202
Smallest circulation	10
No. of volumes in 1941	12,300
" " added in 1942	325
" " discarded	146
Total number of volumes	12,479
Amount taken for overtime	\$17.28
" on hand	4.28
" spent for supplies	13.00

Due to present conditions, many borrowers have been obliged to give up the use of the library, while others are able to visit it but once in two weeks, thus greatly lowering the circulation.

The usual effort has been made to co-operate with the school and groups from some of the grades come to the library each week to choose a collection of books to be used for school reading.

The same magazines have been renewed, although many have advanced in price consequently raising our allotment for this purpose. However, because they are so active and cover so much ground, it seemed wise to carry on.

Two gift subscriptions have been received: Club Woman from Mrs. Haddon Hooper and Collier's from Mrs. Paul H. Bonner. Books have been presented by Mrs. Justin Hartford, Mrs. Paul H. Bonner, Mrs. Cyrus Fowler, Mrs. Haddon Hooper, Justin Lowinsky, Mrs. Edward Francis and Mrs. Harry Trefethen.

The second drive is on for books for the soldiers, so far several contributions of splendid reading material have been left at

the library. Any books of fiction or non-fiction published since 1937 and of a type appealing to the boys in camp is solicited.

In order to comply with wartime regulations it has been necessary to change the hours, opening at one and closing at seven on Wednesdays and Saturdays.

HELEN C. DRAKE,

Librarian.

Report of Trustees of Trust Funds

To the Citizens of Rye:

Three new trusts for the care of cemetery lots have been created during the year.

The Galveston-Houston Company has been reorganized and sixteen shares of no-par common stock previously held in the Dalton Fund have been replaced with eighty shares of \$5.00 par value common stock on which a dividend of \$48.00 has been received.

There have been paid to the Library Trustees the sum of \$382.70 and to Ernest O. Foss, Cemetery Trustee, \$396.79 from the income of individual trusts and \$1,620.02 has been expended from the income of the Dalton Fund for cemetery purposes.

Report of School Board

The School Board respectfully submit the following report:

This has been a year of changes. In April, Mr. Herlihy resigned from the board as he was leaving to enter the Air Corps of the United States. The second week in July Mr. Lester Staples was appointed to fill his place for the rest of the year. In late July Mr. Blanchard resigned as a member of the board to become an air instructor in California. No one has been appointed to fill his place.

The ventilating system was put in during the summer, according to your vote at district meeting and seems to be working very well.

When the boiler was inspected in July it was found to be leaking badly in all the pipes on one side. Your school board, with the advice of the boiler makers and some of the town officials, decided it was the better economy to buy a new one instead of having this one repaired and then later have the other side go and be unable to buy one at all. The old one was added to the scrap the children were able to collect for our government. The new one is working splendidly and we think will not take as much fuel notwithstanding we are having a very cold winter.

Our home economics teacher, Mrs. Burt, and second grade teacher, Miss Grierson, left us when school closed in June. These teachers were replaced by Miss Campbell, a graduate of Keene Teachers College and Miss Edna Dearborn, a graduate of Gorham Maine Teachers College. The first of August, Miss Dickey, fifth grade teacher, resigned because of illness and her place was filled by Miss Stanley, also a graduate of Gorham Teachers College.

About a week before school began Mr. Gray resigned to accept a position in Durham. It was the unanimous opinion of Mr. Gillmore and the board that the position should be offered to Mrs. Seavey. After thinking it over she accepted

for one year. This necessitated having a new eighth grade teacher who could teach manual training. Mrs. Norman Leavitt substituted for about eight weeks. Since then she has come one day a week to teach manual training and we have had two eighth grade teachers. Mrs. Walter Smith, of Camp Langdon, left at Christmas because of ill health. We now have Mrs. Hanson of Gorham Teachers College.

Our music teacher left in September to accept a better position in Connecticut. We finally have secured Mrs. Geneva Southwick of Hampton and Ohio. She seems to be doing a very good job. Our janitor resigned July 1 and we secured Mr. Raynes to fill the place. On January 15, our school nurse left and Mrs. Lindsay, who was our nurse several years ago, has taken over for the duration.

We are sorry the building is so crowded that we cannot share our warm auditorium with the various organizations in town. Since you decided not to build the addition we have had to put the manual training tables on one side of the auditorium and one end is used to store supplies.

We thank the E. O. T. C. for the \$10.00 for books for the school library and the P. T. A. for a typewriter to go with our mimeograph machine.

ELIZABETH MARDEN,
LESTER STAPLES,

School Board.

Report of Superintendent of Schools

To the School Board of Rye:

I herewith present to you my thirteenth annual report as superintendent of your schools. Included will be the statistical report of the last completed school year as sent to the State Board of Education, together with the September enrollment by grades for 1942, the attendance Roll of Honor for last year and the list of Rye pupils who attended secondary school at any time during the first semester of the current year. This latter list is based upon reports sent by the headmasters of the respective schools. The nurse's report and the doctor's report are also submitted.

The Rye school began the current year on September 9 with an enrollment of 209 pupils. This is the largest September registration of the school, being two more than last year.

This year we have been confronted with several difficult problems which have required time to solve. These were the results of conditions arising from the war, and of a crowded school building. Due to the former we have been compelled to employ three different teachers of social science, and two different music teachers. We much appreciate the help of Mrs. Norman Leavitt, who, at inconvenience to herself, is helping the school solve its difficulties by teaching social science for a time and now by directing the boys in Manual Training. To continue this work it was necessary to move the benches into the auditorium. While this is far from an ideal solution, we feel that the instruction in woodworking is too valuable to be discarded.

Our thanks is also due Mrs. Howard Hobbs, who carried on the music instruction until a certified teacher could be obtained.

We now have a staff of teachers qualified in every way to continue the high standard of work Rye has been accustomed to receiving.

Arthur N. Gray, our former principal, resigned in August to accept the principalship of the Durham school. The school

board and the superintendent felt that Mrs. Hazelle Seavey, who has taught in our school so successfully, should be urged to assume the principalship. Although, of necessity, she had only a few days to prepare for the multiple duties of the position, she accepted. I believe it is the unanimous opinion of parents, school officials and fellow teachers that the choice was the right one to make.

The work of the three lower years is primarily that of teaching reading, together with a knowledge of the fundamental processes of arithmetic. The three teachers responsible for these grades are Mrs. Barbara Walker, Miss Edna Dearborn and Miss Elsie Sears. Mrs. Walker and Miss Sears proved conclusively last year that they understand children and the best methods of guiding them. We are pleased that she returned to Rye. Miss Dearborn is an experienced teacher coming to us trained for this work. She is a thorough teacher. She demands and secures good results from her pupils.

The three middle grade teachers, Miss Lucille Sterling, Miss Shirley Stanley and Miss Lina Edwards, teach the children to become independent readers, instruct them in the practical applications of the arithmetic processes learned in the lower grades, give them an understanding of the history of their own country, and open to them a wider view of the entire world through the study of geography and other social sciences. Miss Stanley comes to us from Maine. She is a graduate of the Gorham Normal School. She has the friendship and respect of her pupils. Grade five will be a successful grade under her guidance.

Miss Sterling and Miss Edwards have been with us a number of years. There are no doubts concerning the good quality of their work. It has been tested and found true.

The Junior High grades are taught by Mrs. Seavey, Mrs. Betty Hanson, Miss Campbell and Miss Edwards. Mrs. Hanson is a graduate of Gorham Normal School, trained in the social science field. We were fortunate that she decided to come to Rye. Miss Campbell, a graduate of Keene Teachers College, is in charge of the home economics work. She under-

stands the work of the course. It is of interest to note that several boys are taking the course in cooking. The English and allied subjects are in charge of the principal. Aside from the results of tests the reports from our children who enter high school proves the superior quality of this development.

Of necessity, the war will bring changes to our schools. There will be changes, not so much of subject matter as of emphasis. There is a definite need that more time be devoted to geography of the entire world. New maps are now available which show the northern hemisphere. By use of this, the future interrelations of the different parts of the world are more clearly seen. The air routes, trade channels of the future, can be definitely traced. Our pupils will be better world citizens because of this map and its study.

The army tells us that a definite program for physical fitness must be an important part of our activities. Although this work must be done mainly in the secondary schools, the elementary grades must do their part. Care must be taken that our pupils have suitable physical exercise, that they understand the fundamental rules of health and that they guard their own welfare by exercise, rest and food, each in the right proportion. It is one duty of the schools to see that this is understood by the pupils. This will not be a group program, but must be based upon the need of each individual. Some pupils will need much exercise, some will need little. Sometimes more rest and sleep is required. Sometimes a better balanced diet. The individual must be the key-note of this program.

As part of our obligation to guard the health of our children, "penny milk" is now available to all the pupils of the school. By arrangement with the Agricultural Marketing Administration, the milk dealer is paid the producer price for his milk by the national government. This makes it possible for the dealer to sell milk to the pupil for one cent per half pint. Pupils are not limited to one-half pint each. The eagerness with which the milk is bought proves its worth.

The schools are willingly fulfilling their part in waging a successful war. The teachers and pupils are buying war bonds

and stamps—regularly. Three national registrations, those of sugar, gasoline and oil, have been entrusted to the teachers of the nation. It seems probable that War Ration Book No. 2 will also be distributed by the schools. The children in both elementary and high schools have worked long and diligently in the gigantic task of collecting the metal and rubber so badly needed by our armed forces.

The Rye School has a certified record of 19,440 pounds collected in its scrap drive of three weeks' duration. It may be of interest to note that the pupils in the seven towns of this supervisory union gathered a total of 155,965 pounds. This is the material measure of our endeavors up to the present time. The schools stand ready to do that which may be further asked of them.

Mrs. Elizabeth Hay, who has served Rye as school nurse since September 1937, has volunteered for army duty and now holds the rating of lieutenant in the armed forces. She has been granted a leave of absence by the school board. Her report is included. It gives, in figures, the result of her work, but it cannot reflect the faithful care and watchfulness she has always exerted over our children. We extend to her our thanks for valuable service rendered and our best wishes for many opportunities to serve our country. To carry on her work for the duration of the war, Mrs. Dorothy Lindsey has been appointed. She is the school nurse in Seabrook and Hampton Falls. We feel that her work will be in every way satisfactory to the people of the district.

The Rye Parent-Teacher Association has continued its work in behalf of the children of the district. We appreciate their co-operation and the valuable results they have obtained. The program last year was much worthwhile since it considered the actual teaching methods and objectives of the various grades and subjects. A strong P. T. A. is an asset to any school.

You, as a board, have always governed your decisions by the welfare of the children. You have always been helpful to me as superintendent of your schools.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools.

School Health Report

January 31, 1942 to January 1, 1943

To the School Board of Rye:

I hereby submit to you the following report of my health activities completed during this past year.

The fourth dental clinic was conducted under Dr. Harold Pierson during the year, a report of which follows:

No. of pupils examined	151
trips to dentist's office	23
pupils treated	66
dental certificates issued . .	63
pupils still needing care . . .	55
half days spent on clinic . .	24

No. attending dental clinic by grades:

Gr. 1	5	Gr. 5	7
Gr. 2	11	Gr. 6	11
Gr. 3	9	Gr. 7	6
Gr. 4	8	Gr. 8	9

No. attending dental clinic 1 time47

No. attending dental clinic 2 times25

No. attending dental clinic 3 times 2

No. attending dental clinic 4 times 2

All trips except four were made by the Rye Motor Corps, which was a great help to me in this work.

Dr. Pierson's report:

Total No. of cleanings	66
extractions	45
temporary	35
permanent	10
fillings	199
dental operations	310

(signed) DR. HAROLD PIERSON, D. M. D.

On June 9, 1942, the Parent-Teachers' Association sponsored the annual "Summer Round-Up" for the pupils entering school in September. Dr. White was the examining physician for the clinic and gave physical examinations to fifteen children. Eight of these were also vaccinated.

All pupils were examined for vaccinations in September and notices of any not having scars were sent home to the parents.

The result follows:

No. not having any vaccination scar	7
Excused because of medical reasons	6
No scar, also no reason	1

Since September I have been working on the weights, measures, and visual tests, but I have these not complete due to the many interruptions of illness and the school being closed.

Physical examinations to date by nurse:

No. of pupils weighed and measured . . .	193
given vision tests	77
examined for tonsils	77

Defects observed:

Vision	6
Teeth	43
Tonsils	14
Glands	2
Posture	1

The above is only a partial report of the examinations. Notices have been sent home to the parents of the defects found.

Classification of my activities:

No. of visits to the school	47
visits to homes	16
pupils having individual care	90

During the summer a toxoid clinic was put on by the State Board of Health at which time the pre-school children of Rye were given the opportunity of being inoculated against diphtheria.

I take this opportunity to express my sincere appreciation to the Motor Corps, the Red Cross, the Every Other Tuesday Club, and the Parent-Teachers Association for their interest, support and financial assistance, which they have given me in the promotion of my work.

I sincerely appreciate the understanding of the School Board in granting me a leave of absence that I may take up my duties in the Army Nurse Corps for the duration of the war.

To the School Board, Mr. Gillmore, Mr. Gray, Mrs. Seavey, the Staff of the Centre School, Dr. White, Dr. Pierson, and to each parent I express my sincere appreciation for the splendid co-operation they have given me during my period of service in Rye.

Respectfully submitted,

ELIZABETH HILLS HAY, R. N.

School Nurse.
